

ROAM THE GNOME PUPPET

Instructions:

1. Download this Roam the Gnome Puppet PDF to your computer.
2. Print it in colour on an A4 sheet of paper.
3. Turn the picture over and tape a wooden popsicle stick to the back as shown.

paste the cardboard to the back of the picture

4. Cover the back of the picture with glue stick and paste it to a piece of cardboard so that the stick is now sandwiched between the paper and the card. Leave it to dry.
5. Turn the picture over to face front. Using scissors, cut out the puppet shape by following the dotted line.
6. Roam is now ready for local adventures with YOU! Send us your videos and photographs. (See the Instruction Sheet for full details)
7. PS: Remember to share your top spots on Instagram too. #RTGdayout
